Текст: Alexander's Working Day.

My usual working days look practically the same. But I do my best to make them more interesting and useful. Life is impossible without work. Teachers and parents always say that hard work is the only way to achieve our goals.

My working day usually starts like this. At exactly 6:00 my radio alarm buzzes. Though I am not a lazybones, in winter it is always difficult for me to wake up early. I do my morning exercises every morning. I know that good health is better than wealth. After having a shower I get dressed and brush my hair. It takes me about 40 minutes. I am in the habit of having only a light breakfast. After breakfast I grab my school bag and rush for college. Unfortunately I live far from the college. It takes me about one hour to get there.

Sometimes my mood depends on what classes I have. On some days lessons flash by very quickly, especially if they are on the humanities or Maths, which I

like most, but they drag more slowly if they are on Chemistry or Biology and especially when we have to write tests on them. Our classes start at 8:20. Usually we have seven lessons a day. Each lesson lasts 45 minutes, but the breaks are too short: only 5 or 10 minutes. Fortunately we have a large break in the middle of the day which lasts 45 minutes. During this break we go to the canteen.

At 3 o'clock, when the classes are over, I sometimes stay at college to stay football with my group mates. In the evenings I am busy doing my homework. If I have some free time left, I go for a walk with my friends, read or watch TV. At about 8 o'clock all our family have supper. At 11:30 I take a shower and go to bed.
